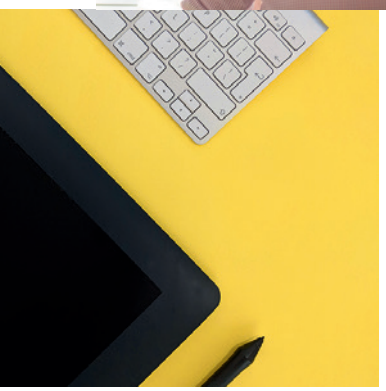
issued 26 Sep 2019

Certificate of Knowledge



This is to certify that

Anastasia Egeressy

successfully completed

Entrepreneurship and Digital Transformation

a 3 week open online course offered by
the Munich University of Applied Sciences (MUAS) and
the Strascheg Center for Entrepreneurship (SCE).

Validate your certificate by visiting this link: https://mycourse.app/CMxC8aP2LFfQiJF28

The certificate proves that the learner has successfully passed the final exam and completed all learning units to acquire relevant knowledge in Entrepreneurship and Digital Transformation. All certified learners are familiar with the subject-related terminology, state-of-the-art innovation processes and how to spot and exploit digital business opportunities as well as how to foster digital transformation culture in corporations. The content was delivered by more than 38 national & international professors, industry experts and founders giving all learners a comprehensive insight into the topics.

Franziska Mattner
